

GLACIER PEAK LACROSSE CLUB

SPONSORSHIP

OPPORTUNITIES

On behalf of Glacier Peak Lacrosse Club (GPLC), I would like to thank you for considering becoming a club partner. GPLC is a non-profit 501(c)(3) organization whose success is dependent on local community support. The club is run by an all-volunteer board and receives no funding from the Snohomish School District. We directly fund our program through a combination of club dues and sponsorships from community businesses.

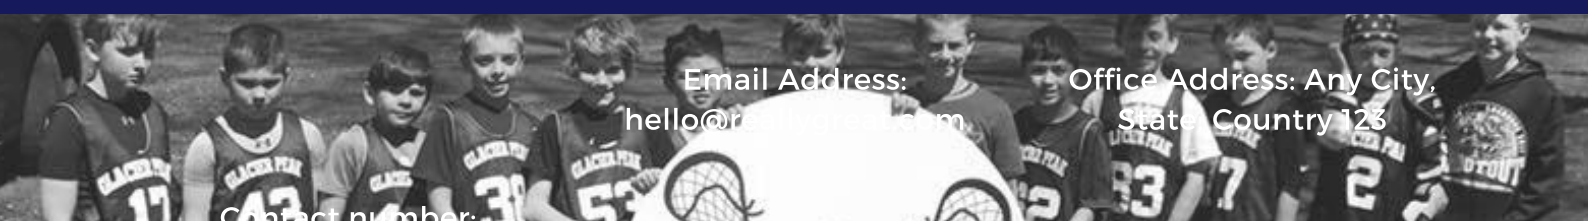

Lacrosse has seen explosive growth over the past few years, and is the fastest growing sport in the Washington. The mission of GPLC is to allow K - 12 boys to learn and play lacrosse in a team environment, regardless of skill level, by creating a positive atmosphere and encouraging them to develop technically, tactically, physically, and mentally in order to compete at their highest level. We expect to grow to over 100 players this season, which increases the costs of fielding teams as well. League fees, field rentals, referee fees, equipment and insurance costs continue to rise. Your support allows us to keep our main objective to help keep player costs down and ensure more participation by those who otherwise could not afford it.

An overview of partner options is included. By partnering with us, we'll profile your company as a business leader and an active supporter of our community. You'll be reaching a targeted audience of lacrosse players, families, and fans, who will, in turn, support your business. We invite you to consider this proposal, and join us as we enter into our 2019 campaign.

Sincerely,

Frank Almstead, Club President
